

Professionally printed with **archival**
quality photographic papers.

Using cutting-edge equipment. Printed on the world's finest photographic paper, with an array of beautiful surface modifications and mounting options.

E-SURFACE PAPER

Kodak Professional Endura Premier Paper (Traditional E-Surface Paper) is the most popular paper because it's cost effective and has exceptional quality.

Product Highlights:

- Boasts accurate color, realistic saturation, excellent neutral flesh reproduction, and great intensity and offers brighter blues, cyans, purples, and reds.
- Standard Archival Value of 100 years in home display; 200 years in dark storage.

SILK PAPER

Kodak Silk Paper is a vibrant color negative photo paper with a gorgeous silk surface finish.

Product Highlights:

- Produces natural skin tones and warm highlights.
- Standard Archival Value of 100 years in home display, 200 years in dark storage.

METALLIC PAPER

Metallic Paper features a unique pearlescent surface with ultra-bright backgrounds.

Product Highlights:

- Uses a patented combination of film and laminate layers resulting in striking three-dimensional images. It offers natural- looking flesh tones, sharp details, and beautifully-saturated colors.
- Resistant to tearing and curling without any additional lamination.
- Standard Archival Value of 100 years in home display; 200 years in dark storage.

TRUE B&W PAPER (MATTE FINISH)

Ilford True B&W paper is designed to make black, continuous-tone prints, while avoiding color tints.

Product Highlights:

- Panchromatic, resin-coated paper provides excellent tone reproduction.
- Uses a silver-based emulsion rather than dye-based.
- Specially coated on the back, it accepts ink for crop lines or writing notes.
- Display and 100-year archival quality.

FUJI DEEP MATTE PAPER

Fuji Crystal Archive Deep Matte paper is the premier matte paper used by professional photographers.

Product Highlights:

- Deep matte, lustreless surface creates tremendous visual impact.
- Produces rich color with pure whites and sharp text quality.
- Standard Archival Value of 100 years in home display; 200 years in dark storage.

Surface Modifications

Seven different finishes available. Surface Modifications are not available with Fuji Deep Matte paper. Lustre Coating is the only Surface Modification available with Silk paper

LUSTRE COATING

- An eco-friendly, non-flammable, roller-applied coating.
- Provides superior protection against fingerprints and UV exposure, while also visibly enhancing the look of your print.

PEBBLE TEXTURE

- A roller-applied embossed texture.
- Medium texture provides a distinct appearance for your finished print.

FINELINEN TEXTURE

- A roller-applied embossed texture.
- Fine texture adds a slight alteration to the print's surface.

FLORENTINE TEXTURE

- A plate-applied embossed texture – the plate is pressed directly onto the print.

LINEN TEXTURE

- A plate-applied embossed texture – the plate is pressed directly onto the print.

PALETTE TEXTURE

- A plate-applied embossed texture – the plate is pressed directly onto the print.

BRUSH TEXTURE

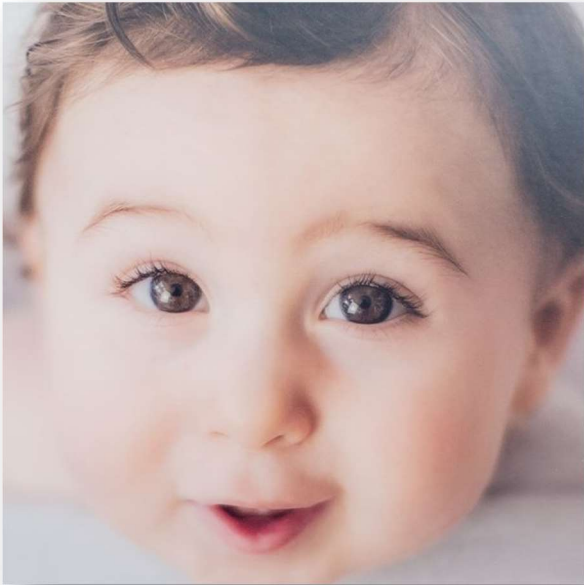

- A water-based brush texture.
- Resembles an oil painting with visible brush strokes.
- Cannot be final coated and is not compatible with lamination or any embossed texture other than linen.
- It's best to mount prints with brush texture.

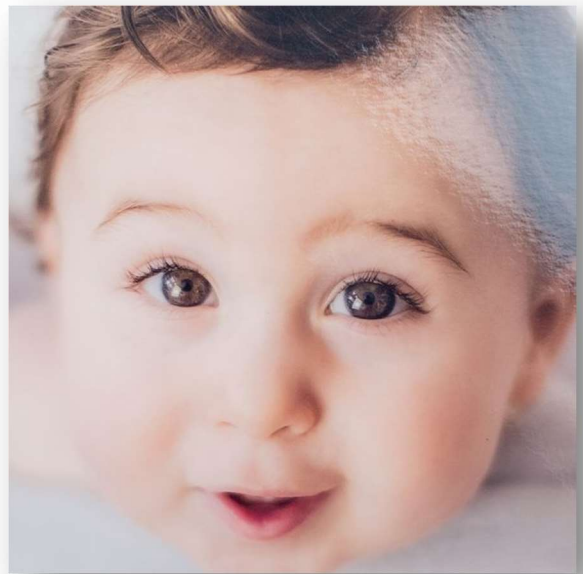

Lamination

Thermal film applied to the print surface in either a high gloss or matte finish. Recommended for large prints that will be handled and/or transported frequently. If wallets are laminated, they cannot be die-cut.

Mounting

Give your print a sturdy backing with one of our six mounting options.

SINGLE WEIGHT MATBOARD

- Single weight matboard is one of the most commonly requested mounting services.
- Both cost effective and durable, giving stability to your print.
- Depth is 50pt.

DOUBLE WEIGHT MATBOARD

- Just like single weight matboard, the double weight is a popular choice for mounting because of its affordability and durability.
- Depth is 1/8".

3/4" FOAM BOARD

- Rigid lightweight mounting boards with a smooth surface and foam core.
- Available in black and white.
- Depth is 3/4".

3/16" FOAM BOARD

- Rigid lightweight mounting boards with a smooth surface and foam core.
- Available in black only.
- Depth is 3/16".

1/8" MASONITE

- Masonite is the heaviest mounting option – perfect for prints that require extra support.
- This smooth mounting option is high density and dent-resistant.
- Depth is 1/8".

STYRENE

- Super smooth all plastic mounting substrate in black only.
- As an all plastic board, it is not affected by humidity or moisture.
- Depth is approximately 2mm.

Canvas Services

Bond photographic prints to 7 oz. or 10 oz. canvas material. The canvas is pressed into the print, giving it a beautiful, even texture. 10 oz. canvas provides a deep weave, while 7 oz. canvas gives a tight weave. Canvas can be mounted using one of the substrates below, or ordered as canvas only (delivered with 2 inches of excess canvas).

Please note: Canvas Services are not available with Silk or Fuji Deep Matte Paper.

CANVAS ON MATBOARD

- Give stability to your canvas print by applying double weight matboard.
- Cost effective and durable.
- Depth is 1/8".

CANVAS ON MASONITE

- Smooth mounting option is high density and dent-resistant.
- Depth is 1/8".

CANVAS STRETCHER FRAME

- Ready for traditional custom framing.
- Depth is 3/4".

Boutique Packaging

Package your product in upscale Boutique Packaging. Select this \$7 option when ordering, and your prints will get wrapped up before your items are delivered, giving them extra protection.

- Available for all prints 11x14" and below, press cards and specialty products, albums, and books.
- All orders are shipped in a cream box containing a rich chocolate brown grosgrain bow.
- Your prints come wrapped in French vanilla tissue paper that adds another layer of protection.
- The interior of the box has a reinforced white finish.
- Your prints and other products will be shipped in a box or boxes sized to best protect your order. If your order requires multiple boxes, an additional \$7 per box will be charged. When adding Boutique Packaging to large orders of Press Cards or Print orders with extra finishing options, as well as multiple copies of Albums or LayFlats, multiple boxes will be used with a \$7 charge for each.

Order Now

Minimum Order \$15.00. Quantity pricing is per image. Figure Print price according to the total quantity ordered from a single image. Ex. If ordering 7- 5x7s of the same image, they are billed at \$1.20 each.

What makes Dream Prints different from traditional photographic prints?

Dream Prints are produced with a unique, Giclee printing process that provides higher image detail than traditional photographic printing. Using 7 dye-based inks, Dream Prints offer improved color reproduction, a wider color gamut, and enhanced image clarity.

Can I combine different Dream Prints paper types in one order?

Yes, unlike with photographic prints, you are able to include multiple Dream Prints paper types in the same order.

Can I order a custom size?

Custom sizes are not available at this time.

Is there a minimum order for this product?

Yes, the minimum order is \$15.00.
