## FAQ

Q: What do you use to clean Gallery Wraps?

A: You can use a soft cloth or feather duster.

Q: Is it necessary to add gel coating to my order?

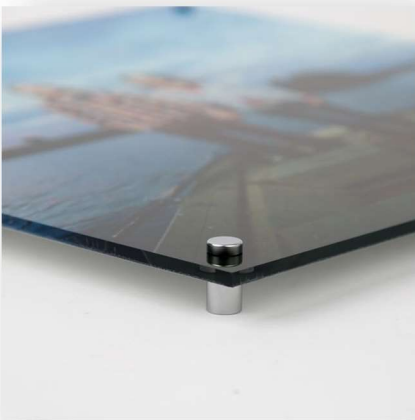

A: No, this is strictly an option. It does provide additional abrasion protection and filter out UV light for a longer life for your canvas.

Q: Can I have the image on the front and a design or color on the side wrap?

A: Yes.

Q: What is the lifespan of a Gallery Wrap?

A: It has a 400 gsm poly-cotton blend canvas with standard archival quality of 100 years.

## FAQ

**Q: What do you use to clean Fine Art Acrylics?**

A: You can use a soft cloth or feather duster. It is recommended that you do not use chemicals, cleaners or abrasive cloths on this substrate.

**Q: How are Fine Art Acrylics mounted to the wall?**

A: Choose stainless standoffs or a French cleat for mounting to be included with your order.

**Q: Can I order a Fine Art Acrylic without the white backing?**

A: Yes, we can print your Acrylic without the white screen print as a special request.

**Q: Can Acrylics be displayed outside?**

A: We do not recommend exposing your Acrylic to outside elements.

**Q: Can I order custom sizes?**

A: Unfortunately, not at this time.

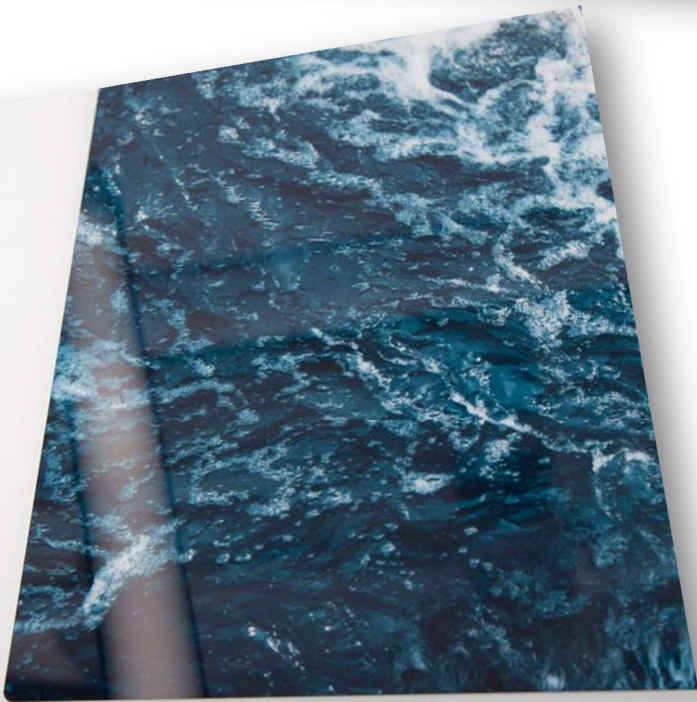

**Q: Is it Metallic paper?**

A: No, the image is actually printed directly on the acrylic.

**Q: Can Acrylics be backlit?**

A: Yes, but you will need to purchase standoffs with a larger depth to allow for more room for the light fixture. Standoffs are available at local hardware stores. We do not provide alternative standoffs or light fixtures.

## Vivid Metals

Experience your  images in a new definition and clarity with Vivid Metal prints. These show-stopping conversation pieces add an artistic edge and contemporary elegance to your home or place of business.

## Product Details

### Sizes

4x4 - 30x40

Available in 25 sizes - no custom sizes available

### Substrate

1/16" aluminum sheet

## **Printing Process**

Dye Sublimation

## **Choosing the Right Image**

We recommend using larger subject matter on Vivid Metals sized at 11x14 and smaller, as fine details may print soft or blurry due to the nature of the printing process

## **Finishing Options**

White Base or Metal Base finishing options; with Metal Base, any pure white (RGB255) in your image will show through as the natural metal

## **Mounting Options**

Magnet – 4x4 - 8x10

Metal Easel – 4x4 – 11x14

Float Mount – 6x6 – 30x40

## **Orientation**

Vertical and horizontal orientations

## **Care**

Do not use chemicals, cleaners, or abrasive cloths

## **Please Note**

Vivid Metals undergo a series of coating procedures prior to printing. There are minor variations and imperfections on the surface of the metal that we cannot control. While we make every effort to reduce their visibility, we cannot consent to remakes or issue credits solely for these imperfections.

# FAQ

**Q: What do you use to clean Wall Art Metals?**

A: You can use a soft cloth or feather duster. We recommend that you do not use chemicals, cleaners, or abrasive cloths on this substrate.

**Q: Will the metal rust?**

A: No, Vivid Metals will not rust.

**Q: Can Wall Art Metals be displayed outside?**

A: Direct sunlight will fade images printed on Vivid Metals, so we do not recommend displaying these outside.

**Q: Can I order a custom size?**

A: Custom sizes are not available at this time.

**Q: What type of metal makes up this product?**

A: Vivid Metals are made of aluminum.

**Q: Do you have any sample discounts available for this product?**

Yes, we offer a 15% sample discount for this product, sizes 16x20 and larger. You will need to place your order as usual, then email or call Customer Service with your order number. Due to seasonal increases in volume, the sample discount is not available November 1 through December 30.

**Q: What's the turnaround time?**

Typical turnaround for Fine Art products is 2-3 days in lab. Orders for sizes 24x30 and smaller are delivered via free FedEx next day. Orders for sizes 24x36, 30x30 and 30x40 are delivered via FedEx 2nd Day Air: 2 business days. Orders for 24x48 are delivered via FedEx Ground.

**Q: Will the Vivid Metals scratch?**

A: No.

**Q: My Vivid Metal has slight imperfections. Is this normal?**

A: Yes. Vivid Metals undergo a series of coating procedures prior to printing. There are minor variations and imperfections on the surface of the metal that we cannot control. While we make every effort to reduce their visibility, we cannot consent to remakes or issue credits solely for these imperfections.

**Q: Is the Vivid Metal Archival?**

A: Yes under normal indoor viewing conditions (not under direct sunlight), Vivid Metals have a Standard Archival Value of 100+ years.

## Fine Art Wood Prints

Modern meets rustic, Fine Art Wood Prints feature your imagery on a gorgeous wooden surface with warm tones and natural grain.

### **Product Details**

**Sizes:** 5x7, 8x10, 11.5x11.5, 16x16, 19.5x19.5, 12x24, 16x24, 20x24, 15x30, 20x30, 24x36, 30x30, 24x48, 30x40

**Substrate:** 1.5" dimensional premium wood that is sustainably sourced.

## Finishing Options

White Base or Wood Base finishing options; with Wood Base, any pure white (RGB255) in your image will show through as the natural wood; the natural Wood Base will lean on the yellow side

### Coating

None

### Hanging

Mounting system included

### Orientation

Horizontal and vertical

### Care

Do not use chemicals, cleaners, or abrasive cloths

### Please Note

Images on Wood Prints are printed directly onto the yellow base wood surface. Knot holes, filled knot holes, filled nail holes and the natural grain of the wood will accept the dye differently. This will result in a beautiful natural wood printed product, but may have natural imperfections and will not be comparable to an image printed on paper. Therefore we cannot consent to remakes or issue credits solely for these natural characteristics of the product.
